

Guaranteed Ground Freight

Effective June 22, 2021 through December 31, 2021

How to calculate freight and all additional charges

Gemini's Guaranteed Ground Freight schedule is a one-rate freight charge that includes all freight and handling for a single order. Please ask a customer service representative if you have any questions. Unless you are subject to a local tax or have COD terms, this is the total amount that will be added to your bill to deliver Gemini products to your door. Sales tax may apply when shipping to the following US states: CA, MN, IA, NV, TX, VA & WA and for COD terms, add \$14 to the Guaranteed Ground Freight rate based on your order total.

Gemini only has UPS scheduled pick-ups. An \$8.00 per order pick-up charge is assessed for other specified carriers. An additional day will be added to the delivery date when a specified carrier pick-up is requested due to their requiring a one day advance notice prior to shipment.

If you decide not to use Gemini's Guaranteed Ground Freight, Gemini charges an \$8.00 handling fee per order. If you request to use your own UPS account, it will be used for all UPS shipments.

Expedited Freight

Expedited freight is also available but is billed at normal published rates from the point of origin of the Gemini manufacturing location to your delivery destination. Freight estimates are available by contacting Gemini's customer service at 1-800-LETTERS (538-8377).

Oversize Packaging

Several items in the catalog are noted to be oversized. These items may require special packaging or incur oversize surcharges when shipped via UPS or via truck. Special truck freight requirements, such as lift gates, may also incur additional freight surcharges above the guaranteed ground freight rates.
